CALENDAR OF THE PROCEDURE FOR AWARDING URV MASTER'S DEGREE GRANTS AND URV AUIP MASTER'S DEGREE GRANTS

2022-23 ACADEMIC YEAR

Who	Process	Actions	Calendar
Candidate	Application for grants	Start of application period Consult and apply for grants: Funding application management	1 April
		End of application period.	15 June
Selection committee	Identification of merits, exclusions and resolution	Period for evaluating, selecting or excluding candidates.	Until 23 June
Student Office		Publication of provisional list of excluded and admitted candidates	29 June
		Publication of definitive list of excluded and admitted candidates	11-12 July
Grant awardees	Registration for the purposes of obtaining the grant (1) (2)	Compulsory registration period Admission and registration for master's degree	Must follow what is set out in the calendar for pre-registration, admission and registration
Student Office	Administration of vacant grants	Reassignment of vacant or renounced grants	From the initial awarding of the grants until September inclusive

(1) Successful candidates must complete the registration process what is set out in the calendar for pre-registration, admission and registration. If they do not, the Student Office will revoke the grant and re-award it to the next registered candidate on the list.

(2) Candidates for scholarships who have to formalize their registration before the resolution of the grant due to the timetable and the regulations governing the registration for the master's degree will have their registration regularized if they are beneficiaries of the scholarship and will receive a refund of any amounts they may have paid. See the registration regulation of degree and master's degrees.
