

## Documents Catalogue

The [URV catalogue](#) contains the whole collection of documents from all the URV libraries.

### SIMPLE SEARCH BY WORD OR PHRASE

- Select one of the fields (author, subject, title—include titles of journal—etc.)
- Write one word or a group of words in the text box.
- Click on **Cerca URV**

### COMBINED SEARCH

This search enables you to use two or more parameters. [Més opcions de cerca](#)  
It carries out the same search for author, title, etc. but limits it to a single library

### ADVANCED SEARCH

This search can be refined with the combination of various operators: **and**, **and not**, **or**, **near**, **before**, **after**. It also allows you to specify place, year, type of material, language; to order the results, etc.

At the bottom of **Més opcions de cerca** you will find some links to limit the search to the type of resource, the type of document, etc. For example, books from *Fons antic*, CDs and DVDs from *Cinema*, etc.

### SEARCH RESULTS

Whatever search type you choose, once you click on **Cerca URV**, the programme will return a particular search result. Click on the item that interests you until you find the information about the existing samples.

- **Ubicació** (Place) indicates the URV library in which the document can be found.
- **Localització** (Location) is the number that identifies the document on the shelves.
- **Estat** (Status) tells you whether the book is on loan, excluded from loan, etc.

### CCUC (*Catàleg Col·lectiu de les Universitats Catalanes*)

If you click on **Cerca CCUC** you will search the [Union Catalogue of the Universities of Catalonia](#).

If you find a document that you are interested in in the CCUC or other catalogues or sources of information, but which is not in the URV Library, we can obtain it for you through the [Interlibrary Loan Service](#).
