

The screenshot shows the homepage of the Kirk-Othmer Encyclopedia of Chemical Technology. The website header includes the Wiley InterScience logo and navigation links: Home / Chemistry / Industrial Chemistry. A sidebar on the left features a book cover titled 'Kirk-Othmer Encyclopedia of Chemical Technology' with copyright information (© 2001 by John Wiley & Sons, last updated 16 Jan 2009). The main content area includes a welcome message, a description of the encyclopedia's scope, and a list of key features. Annotations in yellow boxes with red arrows highlight specific search and navigation options:

- Articles ordenats alfabèticament** (Articles sorted alphabetically) points to the 'Article Titles A-Z' link under the 'BROWSE THIS TITLE' section.
- Articles agrupats per temes** (Articles grouped by topics) points to the 'Topics' link under the 'BROWSE THIS TITLE' section.
- Cerca paraules dins el text dels articles. També permet la cerca d'acrònims** (Search words within the text of the articles. It also allows for the search of acronyms) points to the 'Advanced Search' link under the 'SEARCH THIS TITLE' section.

The 'BROWSE THIS TITLE' section includes radio buttons for 'Article Titles A-Z' and 'Topics'. The 'SEARCH THIS TITLE' section features a search input field, a 'Go' button, and a link to 'Advanced Product Search'. Below this, there is a section for 'All Content' and 'Publication Titles' with another search input field and 'Go' button, and links for 'Advanced Search', 'CrossRef / Google Search', and 'Acronym Finder'. A 'NOW AVAILABLE' banner is visible at the bottom right.
