

Doctorate admission status Course 2020-21

1. The candidate has successfully completed the pre-registration process.
2. The Postgraduate and Doctoral School has confirmed that the minimum documentation required for admission has been presented. Inform the Coordinator.
3. The candidate has not presented the minimum documentation required for admission within the specified deadline or has not presented the correct documentation before admission (3.1) or after admission (3.2).
4. and 5. The Coordinator / Academic Committee has decided to admit the candidate on academic grounds but may require the candidate to complete certain bridging courses.
6. The candidate has not presented the degree certificate or the receipt which confirms you have paid the issuance fees for your degree certificate or a document accrediting a minimum of 60 ECTS master's credits. The candidate may not register until one of these documents has been presented.
7. The candidate has been admitted and is eligible for registration but currently has not place on the course because the Coordinator has prioritized the admission of other candidates.
8. The Coordinator has decided that the candidate does not meet the academic requirements for admission.
9. The candidate has presented all the required documentation in the correct manner. The candidate may now register.
10. The same as before except that the admitted candidate must register for bridging courses.
- 11 and 12. The candidate only needs to present the originals, which will be done at the Campus Secretariat / Secretary's Office of the Faculty/School.
13. The minimum documentation required for admission has been presented but it does not comply with all the requirements. The candidate may not register until the documentation complies with all the requirements. The candidate will be excluded on technical grounds if the correct documentation is not presented within the specified period.
14. The same as before except that the admitted candidate must register for bridging courses.
15. The candidate presents a Declaration of Commitment in order to access the self-registration process. All documentation must be presented by before the first assessment at lasted.
16. The same as before except that the admitted candidate must register for bridging courses.
