

**3.2. Exclusion on technical grounds
(The documentation has not met the formal requirements within the
established deadline)**

Dear [Nom del candidate],

Although you have been admitted on academic grounds to the [Name of Doctoral Programme] and have a place reserved on the course for the 2023-24 academic year, in order to complete the registration process you needed to ensure that all of your documentation complied with the [formal requirements](#) and that you uploaded it via the [document manager](#) within the specified period (the last day of the registration period corresponding to the course that you have pre-registered for) or apply for conditional registration.

To date you have not done either of these things. This means that when the deadline expires, we will inform you that the status of your application will be Excluded on technical grounds for the following reason:

[motiu d'exclusió].

We inform you that this decision is not the end of the administrative process and that, should you wish to do so, and you can appeal to the rector of the URV within one month after notification of this decision.

If you are still interested in studying on this or any other Doctoral Programme, you will have to repeat the pre-registration process, although the success of your application will depend on the availability of a place. You can consult the [calendar](#).

If you need any further information, please do not hesitate to contact us.

Yours sincerely,

[Dades de contacte de l'Escola de Doctorat]
