

5. Admitted on academic grounds with bridging course requirement

Dear [Nom del candidate],

We are pleased to inform you that the Coordinator / Academic Committee of the [Nom del Programa de Doctorat] has evaluated your application and documentation and has decided to admit you to the doctoral programme on academic grounds.

Based on your previous qualifications, the Coordinator / Academic Committee has decided that you must study certain subjects as bridging courses to ensure that you can successfully complete the doctoral programme. You can find out which subjects these are via the [document manager](#). These bridging courses have to be passed at the beginning of the thesis process, within a maximum of one academic year.

You have also been assigned the following by the Coordinator / Academic Committee:

Dr [Nom del Director/a de tesi] as your thesis supervisor.

Dr [Nom del Director/a de tesi] as your thesis supervisor.

Dr [Nom del Tutor/a de tesi] as your thesis tutor.

[Nom de la línia d'investigació] as your research line.

[Temps parcial], in accordance with what you requested when you pre-registered.

Comentat [MICC1]: Que aquesta informació aparegui únicament si te més d'un director/a de tesi.

Comentat [MICC2]: Això només hauria d'aparèixer si consta informat a la gestió de preinscripció...

We will now check the documentation that you have presented so far and, if it is correct, we will send you an email with instructions on how to complete the registration process. If the documentation is not correct, we will tell you what you need to do to ensure that it complies with the [formal requirements](#).

If you are admitted by the academic committee, you will be able to download the letter of admission from the [document manager](#) so that you can apply for student visa. You will find it by clicking on "letter of admission".

Doctoral Programme in Chemical Science and Technology - (2022-23) - DOCTORATE

Final date for consultation: 07/29/2023 Final date for modification: 07/29/2023

Documentation required for access and admission to the doctoral programme

State of pre-registration : Admitted (on academic grounds). For more information on this status, click [here](#)

Candidates with the following qualification/s: official university master's degrees that have not been officially recognised in Spain and that have been awarded by foreign higher education institutions based in countries that are not members of the European Area of Higher Education

You must upload the required document onto this document manager to enable the Academic Committee / Coordinator to assess your application. Remember that at this stage your documentation does not have to be attested and translated in order for it to be evaluated. However, you will have to attest and translate your documentation when you formally complete the registration process.

• Research Line: Molecule-based chemistry for the development of smart multifunctional materials for Energy applications

• Director 1:

• Director 2:

• Tutor: E

• Dedication type: Full time

• Academic assessment date: 02/14/2023

[Letter of admission](#)

Valid Spanish identity card, national identity card of your country, passport or NIE [ATTESTATION REQUIREMENT](#)

Formal requirements (so that you can complete the registration process):

Spanish students: photocopy of a valid Spanish identity card.

Foreign students from a member state of the European Union: original and photocopy or an attested photocopy of their national identity document issued by their country, passport or Spanish residence card (NIE) and which must not have expired.

Foreign students from a country outside the European Union: original and photocopy or an attested photocopy of their passport or Spanish residence card (NIE) which must not have expired. If you are a foreign candidate and you have used other identity documents to pre-register, you must be aware that will need to present the officially required documents in order to complete the registration process and also when you request the issuance of your doctor's degree certificate.

If you need the original document, we can send you a paper copy by courier, although you should be aware that you will have to pay for any postage costs.

During the following periods, no letters of admission will be issued:

- Summer: from 1 to 31 August.
- Christmas: from 25 December 2023 to 6 January 2024.

UNIVERSITAT ROVIRA I VIRGILI
Academic Management Service

- Easter: from 29 March to 1 April 2024.

If you need any further information, please do not hesitate to contact us.

Yours sincerely,
