

REGULATIONS GOVERNING ACCESS AND ADMISSION TO MASTER'S DEGREES

Title of the master's degree: NANOSCIENCE AND NANOTECHNOLOGY

Official postgraduate programme: Nanoscience and Nanotechnology

APPROVING BODIES

The regulation was approved by the Academic and Scientific Committee, appointed by the Governing Council on 7 April 2006.

The regulation was updated and approved by the Academic and Scientific Committee, appointed by the Governing Council on 14 June 2007, on 14 February 2008 and subsequently on 30 June 2011.

ACCESS

No. of places

The number of places offered is 20

Access qualifications

- Official university degrees in architecture or engineering in the scientific-technological disciplines and the health sciences.
- Official university degrees or diplomas or technical engineers in the aforementioned disciplines.
- Official qualifications from higher education institutions of the EHEA that enable the holder to move on to a master's programme in the country of issue.
- Qualifications awarded by educational systems outside the EHEA and which have not been officially recognized if the university can determine:
 - that the educational level attained is equivalent to that of the official Spanish university qualifications; and
 - that the student is entitled to enter postgraduate programmes in the country of issue.

PRE-REGISTRATION PROCEDURE

Faculty responsible for pre-registration

The body in charge of administering the process will be the School of Chemical Engineering.

Deadline for applications

The periods for presenting applications will be established in the calendar.

Documents required

All documents must be presented before the end of the pre-registration period.

- General documents (see the section Additional Information)
- Specific documents:
 - Complete curriculum vitae
 - Academic transcript
 - Letter of motivation/Declaration of Intent
 - Accreditation of knowledge of English

Where to register

The application form and the accompanying documents must be presented to the secretary's office of School of Chemical Engineering:

- Address: Campus Sescelades, Avda. dels Països Catalans, 26 43006 Tarragona
- Tel: 977 55 87 67
- Fax: 977 55 96 99
- E-mail: secetseq@urv.cat
- Opening hours: Monday to Friday from 11.00 to 13.00

SELECTION CRITERIA

The pre-registered applicants will be appraised in accordance with the following criteria:

- Curriculum vitae of student.
- Evaluation of academic transcript.
- Level of knowledge of English

If there are enough places, the selection committee can admit students without having to rank them in order of merit.

SELECTION COMMITTEE

The selection committee entrusted with appraising the applications will be made up of:

- The Master's degree coordinator/a;
- A representative from each URV research group whose members contribute significantly (>20%) to the credits taught during the master's degree; and
- The Head of the Secretary's Office, who will act as technical secretary.

ADMISSION PROCEDURE

The secretary's office of the faculty will announce the students who have been admitted and those who have not on the notice board and on the university's website. Students will also receive a personal response informing them of the result of their application and of the credits they have to take.

Should places still be available once the registration process has finished, they will be offered to the students on the waiting list. Students will be notified individually of this process.

Within one month of the publication of the names of those admitted on the programme, applicants can lodge an appeal to the rector of the Rovira i Virgili University.

REGISTRATION

Students must register within the established periods.
