

**European ERA4CS Joint Call for
Transnational Collaborative Research Projects 2016
Topic B - Researching and Advancing Climate Service Development
by Institutional integration
Research Performing Organisation: Universitat Rovira i Virgili
(URV)**

Partners: This call is supported by the Universitat Rovira i Virgili (URV).

Notice: Depending on all conditions of eligibility and peer review being met, the budget earmarked collectively by the participating Universitat Rovira i Virgili for this call will be up to 1,19 M€ (according to exchange rates at time of funding).

The official call announcement has been published on the *Center for Climate Change (C3) - URV* website <http://www.c3.urv.cat/> and the URV research programmes website (http://www.urv.cat/recerca_innovacio/programes/urv/index.html).

Details of the call and the application process are provided via the <http://www.jpi-climate.eu/ERA4CS.activities/jointcal/> website. Applicants are advised to contact their Research Performing Organisation Contact Point before starting to prepare proposals for application. For URV enquiries please see below.

Eligibility and funding modalities: Scientist willing to participate in this call must be URV staff.

Proposals of sub-topic(s):

B.1: Development of new methods and tools

B.2: Impacts studies and models

B.3: Localization of Climate Information and Uncertainties Evaluation

are eligible for URV funding.

It is expected that applications to this call will be Collaborative Research Grants with the consortium composition as defined in the call document, and URV will fund the URV researcher of any successful trans-national collaboration.

Funding plan should be drafted in accordance with H2020 financial rules.
