

DECLARATION OF RESPONSIBILITY for the period affected by the COVID-19 emergency for the academic year 2020-21 of the Universitat Rovira i Virgili and the URV Foundation

As a member of the URV and FURV community, I accept the values of social engagement, welfare and health that underlie university life, and which are described in their respective ethical codes.

I DECLARE THAT

FIRST. I agree to understand and respect the prevention and protection measures listed in the URV's and FURV's Contingency Plan, available on the institutional website, and particularly the measures referring to the duty of self-protection:

1. I shall take my temperature every day before leaving home. Should it be even only slightly over 37^o, I shall stay at home and get in touch with my health centre.
2. I shall always duly wear a hygienic or a surgical mask, in both open and closed spaces on URV and FURV premises.
3. When on URV and FURV premises, I shall obey all instructions about keeping a safe physical distance, washing my hands, following the marked entry and exit routes and the ventilation of rooms.
4. I shall cough or sneeze with my mask on and/or covering my mouth with the inside of my forearm, and I shall not touch my face, nose or eyes until I have washed my hands.

SECOND. I understand my obligation to record my daily close contacts and I agree to inform the URV or FURV COVID-19 officer, when I am asked, of the people from the university community with whom I have been in close contact (for at least 15 minutes at a distance of less than 2 metres without wearing a mask) and to **follow the instructions** I am given from the address covid19@urv.cat.

THIRD. I am aware of the URV's and FURV's recommendation to use the application RadarCOVID to track contacts, and **I understand** the importance it has for tracing if positive cases of COVID-19 are confirmed.

FOURTH. I understand that I will not be allowed to enter the buildings and premises of the URV and the FURV if I have symptoms compatible with COVID-19 or I have been prescribed a PCR test. In this latter situation or if the results are positive, **I promise** to notify the COVID address of my faculty or school, or the URV's General Management.

FIFTH. I promise to follow the instructions of the academic authorities and comply with the safety measures inherent to the planning of blended subjects and courses (for example, respect the group I have been assigned to, not change groups, etc.).

SIXTH. (only for students) I understand that it is forbidden to record or post on internet, or any other media, classes, assessment activities, reviews of assessments or teaching materials without the authorisation of the lecturers.
