

## 19. Incorrect documentation

Dear [Nom del candidate],

We have checked the documentation that you have uploaded to the [document manager](#) and have found that it is incorrect.

Please upload the missing documentation before [Últim dia fase de preinscripció]. You must upload the following:

The Coordinator/Academic Committee of the [Nom del Programa de Doctorat] cannot evaluate your application until you have uploaded this documentation.

If at the end of this period you have not provided the missing documentation, we will change the status of your application to Excluded because we will understand that you have withdrawn your application in accordance with article 68.1 of Law 39/2015 of 1 October, of the common administrative procedure of the Public Administrations.

If this happens and you are still interested in studying on this or any other doctoral programme, you will have to repeat the pre-registration process, although the success of your application will depend on the availability of a place. You can consult the calendar [here](#).

Remember that at this stage your documentation does not have to comply with all of the [formal requirements](#) (e.g. be attested, translated, legalised, etc.) in order for the Academic Committee/Coordinator assess your application. However, you will have to comply with these requirements when you complete the full registration process.

If you need any further information, please do not hesitate to contact us.

Yours sincerely,
