

Master admission status Drawing 2021-22

1. The candidate has successfully completed the preregistration process.
2. The Secretary's Office has confirmed that the minimum documentation required for admission has been presented. Inform the Coordinator
3. The candidate has not presented the minimum documentation required for admission within the specified deadline or has not presented the correct documentation before or after admission
4. and 5. The Coordinator / Academic Committee has decided to admit the candidate on academic grounds but may require the candidate to complete certain bridging courses.
- 6 and 7. The Coordinator / Academic Committee has submitted a favourable report on the candidate; however, the candidate still needs to present the certificate for the qualification that enables them to access the course or a receipt confirming that they have paid the fees for the issuance of the certificate (SGAC reports).
8. The Coordinator / Academic Committee has admitted you on academic grounds but given the number of applicants and how these have been prioritized, you still do not have a place because more people have pre-registered than there are places available.
9. The Coordinator has decided that the candidate does not meet the academic requirements for admission.
10. The candidate has presented all the required documentation in the correct manner. The candidate may now register.
11. The same as before except that the admitted candidate must register for bridging courses.
- 12 and 13. The candidate only needs to present the originals, which will be done at the Campus Secretariat / Secretary's Office of the Faculty / School. The candidate may apply to conditionally register for the course.
14. The minimum documentation required for admission has been presented but it does not comply with all the requirements. The candidate may apply to conditionally register for the course.
15. The candidate signs a Declaration of Commitment in order to be permitted register. All documentation must be presented by 30 April 2022 at the latest.
16. The same as before except that the student must register for bridging courses.
