

5. Admitted on academic grounds but with bridging course requirement

Dear [Nom del candidat/a],

We are pleased to inform you that the Coordinator / Academic Committee of the Master's Degree in [Nom del màster] has evaluated your application and documentation and has decided to admit you to the master's degree for the [Curs Acadèmic] academic year.

On the basis of your previous qualifications, the Coordinator / Academic Committee has decided that you must study certain subjects as Bridging Courses, for which you must register. You can use the [document manager](#) to find out which subjects you need to study.

We will now check the documentation that you have presented so far and, if it is correct, we will send you an email with instructions on how to complete the online self-registration process. If the documentation is not correct, we will tell you what you need to do to ensure that it complies with the [formal requirements](#).

If you need a letter of admission in order to obtain a visa to study in Spain, if your master's courses are taught face-to-face or through blended learning, and if your access qualification is foreign, you can download a template of the letter from the [document manager](#). You will find it by clicking on "letter of admission":

The screenshot shows the 'Chemical Engineering (2013) - (2022-23) - MASTER' page. At the top, there are links for 'GesDoc', 'Home', and 'Logout'. Below the title, it states 'Final date for consultation: 04/30/2023' and 'Final date for modification: 04/30/2023'. The main section is 'Documentation required for admission'. It includes a 'State of pre-registration: Access to conditional registration' with a link to 'here' for more information. It also mentions 'Place reservation: Paid'. A red arrow points to a button labeled 'Letter of admission' in the bottom right corner of the main content area. At the bottom, there is a green bar with the text 'Valid Spanish identity card, national identity card of your country, passport or NIE' and 'Attestation requirement'.

If you have documentary proof of any of the situations listed below, upload it to the corresponding section of the [document manager](#) so that the university can apply the exemption and you are not required to pay to reserve your place in advance:

- Disability of 33% or higher

- Large family (special category)
