4. Admitted on academic grounds

Dear **[Nom del candidat/a]**,

We are pleased to inform you that the Coordinator / Academic Committee of the Master's Degree in **[Nom del màster]** has evaluated your application and documentation and has decided to admit you to the master's degree for the **[Curs Acadèmic]** academic year.

In order to guarantee your place, you need to pay a deposit of €400. You make this payment by accessing the My Payments platform where you will find the invoice which you can pay in cash or by credit card. Please be aware that **the deadline for making this payment is the due date on the fees invoice.**

When you complete the registration process, this reserved payment will be discounted from your final registration fees. If you have the right to a grant or any other type of award or discount that will make the cost of your registration fees lower that €400, we will reimburse you with the corresponding part. However, if you do not register at all, **we will not refund any of the money** that you have paid.

If you have documentary proof of any of the situations listed below, upload it to the corresponding section of the document manager so that the university can apply the exemption and you are not required to pay to reserve your place in advance:
- Disability of 33% or higher
- Victim of intimate-partner violence
- Victim of gender-based violence other than intimate-partner violence
- Large family (special category)
- Victim of a terrorist attack
- Beneficiary of the minimum living allowance

You can check other exemptions here

If you do not make the payment within the deadline, your pre-registration status will be 'Admitted without place reserved'**.** You will only be able to register if there are still places available and the master's coordinators authorise your registration after the deadline. This also means you will have to pay the corresponding charge.

If you need any further information, please do not hesitate to contact us.

Regards,
