

8. Waiting list

Dear **[Nom del candidat/a]**,

We are pleased to inform you that the Coordinator / Academic Committee of the Master's Degree in **[Nom del màster]** has evaluated your application and documentation and has decided to admit you to the master's degree on academic grounds.

However, you have been placed on a waiting list because the number of applicants is greater than the number of places on the course and because you are not eligible for one of the places due to the order of priority established by the Coordinator / Academic Committee.

If any candidates renounce their places on the course, their places will be awarded to the next candidates on the waiting list in accordance with the order of priority established by the Coordinator / Academic Committee. You can check your position on the waiting list by looking at the [document manager](#). Keep in mind that this information may vary, so we advise you to check it on a regular basis.

If you are given a place on the course, we will send you an email detailing the procedures that you need to follow to complete the registration process.

If you are assigned a place before the end of your corresponding registration period, you can register before the deadline of the said period. However, if you are assigned a place after the end of your corresponding registration period, you will be given a specific appointment so that you can make your registration within five calendar days as from the day after you receive the email with access to the online registration.

Please check the [calendar](#) to know the exact period for each registration phase.

If you have any queries, please do not hesitate to contact us.

Regards,
