

Admitted without place reserved

Dear **[Nom del candidat/a]**,

As we informed you, after evaluating your application and documentation, the Coordinator / Academic Committee of the Master's Degree in **[Nom del programa]** has admitted you on academic grounds to the course for the **[Curs Acadèmic]** academic year.

We sent you an email with the information you needed to pay a deposit to reserve your place on the course. Given that you have not paid this deposit within the deadline, your registration status is *Admitted but without place reserved*.

If you wish to reserve your place, please contact us. We will send you an email with the relevant information so that you can pay the deposit to reserve your place as long as there are places available and we are authorised to do so by the coordinators.

If you decide not to pay the deposit but you are still interested in registering for the course, you will only be allowed to do so if there are places available and the academic coordinators allow a late registration, which will require you to pay the corresponding charge.

Should you no longer be interested in studying this master's programme, we would be grateful if you could notify us by email.

If you need any further information, please do not hesitate to contact us.

Regards,

[Secretariat of Faculty/School/Campus]
